Spring 2011 Resident Research Funding (RRF) Program

Application Form

Application instructions.
Please read and follow the following instructions carefully to ensure that you submit an accurate and complete application.

1. Carefully review the program requirements before you begin:  http://cts.ucsf.edu/funding/funding-for-residents#funding.

2. You can complete a partial application and save and return to it later, but the application must be submitted **WITHIN 7 DAYS** of beginning it. To save the application and resume later, click "Save Answers and Resume Later." You will receive a URL that you will need to save on your computer so that you may return to your partially completed application. Note that the URL takes you back to the first page (this one) of the application. To get to where you wish to resume completing the application, use the NEXT buttons at the bottom of the page. NOTE: THE APPLICATION SOFTWARE DOES NOT SAVE ANY OF YOUR PDF ATTACHMENTS THAT YOU UPLOAD IF YOU CHOOSE TO "SAVE ANSWERS AND RESUME LATER".

3. Given the limitation that you must complete the application within 7 days, we suggest that you print the PDF version of the application form posted on the program website to review what is required in the application and have everything on hand that you need to complete the application ahead of time. For example, you will want to create PDF documents for any parts of the application that may require you to upload a PDF (e.g., your biosketch, letters of support, research plan, etc).

4. Only PDF formatted documents (no MS Word, Excel, PPT, etc) may be uploaded to the application. Be sure that the PDF attachments are not password protected or secured.

5. Before you submit your application, we suggest that you use the "Previous" and "Next" buttons at the bottom of the pages to review your application for accuracy. You won't be able to submit the application if required elements are missing.

6. You are only allowed to submit the application once per primary email address. You are responsible for submitting a complete and accurate application. You will receive an email confirmation including a copy of your submitted application. If you discover that you have made a major error after submitting your application, please notify Christian Leiva at cleiva@psg.ucsf.edu. Note that changes will be at the discretion of the PROGRAM and must be completed by the deadline.

7. The deadline for this application is Sunday, April 17, 2011.
