

SF Bay Area Collaborative Research Network

A partnership of community clinicians, practices and UCSF

SF Bay CRN eNews – Winter, 2019

Dear Colleagues and Friends,

Happy 2019! **Because we hope to see you in April, we'll keep our newsletter short *this time!***

As you know, SFBayCRN is UCSF's primary health care practice-based research network, supported by the UCSF Clinical and Translational Science Institute (CTSI). We offer [free initial consultations](#) to support the development of

SFBayCRN 5th Annual Stakeholder Meeting

April 26, 2019 – REGISTER NOW!

We are excited once again to host our annual meeting at the **Presidio's Golden Gate Club** in San Francisco. The meeting engages a wide array of stakeholders, including practice-based researchers, health system leaders, public health leaders, community based primary care clinicians, patient stakeholders, community-based organizations, informatics specialists, students, fellows and research funders in Northern California. Highlights this year will include a panel on ***Policies, Practices, and Research to Address the Opioid Epidemic***, presentations on ***Community Based Interventions to Improve Population Health***, and ***Lightning Rounds*** featuring the rapid-fire
